- I. Only "online" course registration is accepted (except for over credits); students shall confirm the add and drop results during the "course registration period" by logging onto the "student information system"; the results in the computer system prevail.
- II. The online course registration system is subject to traffic load. Please try again if the add/drop page cannot be logged in. Please contact Course Division (extension 3114, 3116, 3110, 3111, 3120, 3131) or Information Office (extension 3511) if unable to log in.
- III. For delay graduation application, please apply online for the delay graduation and course registration within the regulated time stated above.
- IV. The single log in time of the course registration system is 10 minutes. System will be automatically logged out if idle for 3 minutes. One account can only be logged by one computer at the same time. To avoid network traffic, please confirm the course information on the "search for courses" system.
